SPEEDLINE+

Why Choose SpeedLine

Clear Differentiators:

- **Built for Pizza:** Specialized features for custom orders, toppings, and delivery
- **Delivery-Driven:** Enhanced tracking and dispatch tools designed to streamline service and improve delivery efficiency
- **Cloud Control:** Cloud-based management and insights across single and multiple locations
- **Fit For Your Business:** Customized features like build-your-own pizzas, half-and-half options, intelligent coupons, table service, and delivery dispatch for a specialized point of sale
- **Online Ordering:** Seamless web and digital ordering with upselling prompts, generating profitable digital sales

Key Features Overview

- **Conversational Ordering:** Intuitive and streamlined customer ordering experience
- **Upsell Prompts:** Increase your add-on sales and revenue consistently and in a helpful way
- **Delivery Zones & LiveMaps:** Set custom zones and automatically assign orders to the right zone with accurate delivery fees, adjustable at any time
- **Visual Dispatch:** Easily dispatch drivers by grouping orders on an interactive map with estimated return times for better efficiency
- **DoorDash Drive:** Effortless delivery management by assigning orders to DoorDash drivers from our POS Dispatch screen
- **Real-Time Data:** Track performance and business metrics for your store or across locations
- **Marketplace Ordering Platforms:** DoorDash, Uber Eats and GrubHub directly integrated with our POS for accurate automated hassle-free service and management
- **Voice AI Ordering:** SpeedLine integrates directly with Voice AI systems, providing conversational Voice AI ordering over the phone
- **Loyalty:** Build customer loyalty with engagement and rewards to increase repeat sales
- **Secure Transactions:** Fast, secure transactions using our SpeedLine Payments making payment processing simple and more efficient
- **MobilePay:** Accept payments at the door, table and curbside with mobile EMV readers, saving 40%+ on processing fees with card-present payments
- **Customer Surveys:** SpeedLine integrates directly with Tattle to send surveys to customers after their orders are completed to gather valuable feedback
- **Custom Messages:** Notify your loyal customers of specials, hours, and promotions
- **Tailored Menus:** Tailored touchscreen menus with intuitive panels and graphical images

SPEEDLINE+

How SpeedLine Can Help Your Business

For Franchise Owners:

- Centralized control with a consistent branding experience

For Operators:

- Provide faster service, increased order accuracy, and happier customers

For Drivers:

- Offer simple navigation, faster dispatch, and much better route planning, leading to quicker deliveries and more satisfied customers, which can result in higher tips for your drivers

About SpeedLine

As the leading POS for pizza and delivery restaurants, we understand the unique needs of your business.

SpeedLine+ offers an all in one POS solution that integrates seamlessly with your existing systems, providing the speed, reliability, and flexibility you need to optimize restaurant operations and keep customers coming back.

Why Customers Love SpeedLine

- **Celebrating over 25 Years of Excellence:** SpeedLine remains the gold standard for restaurants looking for specialized pizza & delivery POS solutions
- **White Glove Customer Support:** SpeedLine having over a 98% customer support satisfaction rate, your confidence is our priority
- **A Pizza-First All-in-One Solution:** Most POS systems boast offering an all-in-one solution OR being pizza-first, SpeedLine POS does both
